## **2018 Roasting prices.**

We hope to supply your bulk roasting needs this yea. We offer a simple and economical charging structure with high quality work by dedicated staff in our S.G.S audited H.A.C.C.P certified factory.

### **Inclusions:**

These prices include:

- **Free** storage for one month ( after that time the we may contact you to discuss paid storage or return of product, see storage conditions below)
- **Free** container loading
- **Free** sample drawing.
- **Free** foil liners ( cartons to be provided by customer, if Macadamia Exports Australia Pty Ltd is to supply cartons, the cartons will be charged at cost + 10% )
- **Free** gas flush and vacuum seal packaging

### **Minimum runs.**

There is no minimum run, however unless otherwise agreed, the minimum job fee is \$500 + gst

## Prices.

If the incoming product is of good quality we can sort the product more economically. We reserve the right to determine if a job requires a high level of sorting. We also retain the sorted rejects for your inspection and use. Please review the options below and advise us of your batch instructions.

Service	Price and unit
Roast and salt, low sorting requirement	\$1.04 per kg + gst
Roast and salt, high sorting requirement	\$1.18 per kg + gst
Roasted unsalted low sorting requirement	\$1.00 per kg +gst
Roasted unsalted high sorting requirement	\$1.12 per kg + gst
N.I.S low sorting requirement	\$0.95 per kg + gst
N.I.S high sorting requirement	\$ 1.10 per kg+ gst
M.E.A to supply cartons	Cost + 10%

## Validity.

These prices are valid for 2018 unless otherwise agreed with your firm. Roasting is offered subject to capacity.

## Storage.

Product is stored free for 30 days, however Macadamia Exports Australia Pty Ltd accepts no liability for loss or damage, howsoever caused, during storage. We recommend customers ensure that their product is insured whilst on our site and advise that the customer accepts the physical and legal risks associated with their product.

If requested, the customer must arrange for collection of their stock. If customers do not collect their stock we reserve the right to used third parties to store the product at the customers expense.
