

Roasting Prices

We hope to supply your bulk roasting needs this year. We offer a simple and economical charging structure with high quality work by dedicated staff in our S.G.S audited H.A.C.C.P certified factory

These prices are inclusive of:

- **Free** storage for one month (after that time the we may contact you to discuss paid storage or return of product, see storage conditions below)
- **Free** container loading
- **Free** sample drawing
- **Free** foil liners (cartons to be provided by customer, if F.M.C is to supply cartons, the cartons will be charged at cost + 10%)
- **Free** gas flush and vacuum seal packaging

Minimum Roasts

There is no minimum run, however unless otherwise agreed, the minimum job fee is AUD\$500 + GST

Price Information

If the incoming product is of good quality we can sort the product more economically. We reserve the right to determine if a job requires a high level of sorting. We also retain the sorted rejects for your inspection and use. Please review the options below and advise us of your [batch instructions](#).

Prices

Service	Price and unit
Roasted and salted low sorting requirement	\$1.04 per kg + GST
Roasted and salted high sorting requirement	\$1.18 per kg + GST
Roasted and unsalted low sorting requirement	\$1.00 per kg + GST
Roasted and unsalted high sorting requirement	\$1.12 per kg + GST
N.I.S low sorting requirement	\$0.95 per kg + GST
N.I.S high sorting requirement	\$ 1.10 per kg+ GST
F.M.C to supply cartons	Cost + 10%

Validity

These prices are valid for as current unless otherwise agreed with your firm.
Roasting is offered subject to capacity.

Storage

Product is stored free for 30 days; however F.M.C accepts no liability for loss or damage, howsoever caused, during storage. We recommend customers ensure that their product is insured whilst on our site and advise that the customer accepts the physical and legal risks associated with their product.

If requested, the customer must arrange for collection of their stock. If customers do not collect their stock we reserve the right to use third parties to store the product at the customers' expense.
